

AURORA CAD TRAINING AND
DEVELOPMENT

BULLENTIN: NX7-01-SPLINE

SERVICE BULLENTIN

TO: NX7 USERS

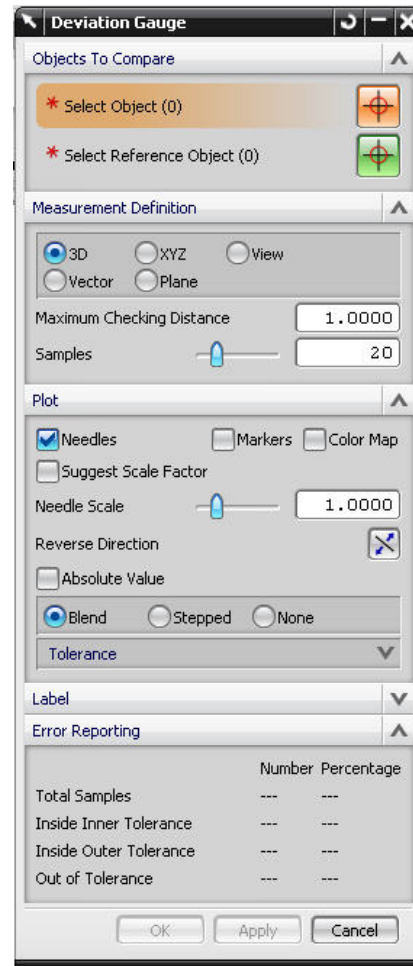

DATE: April 6, 2011

FROM: QUALITY GROUP

SUBJECT: DIALOG CHANGE

DESCRIPTION:

The Deviation Gauge dialog that is located in the Spline sections including Splines, FreeForm Modeling-Operators, FreeForm Modeling-Mesh Surfaces, FreeForm Modeling-Surfaces was found to be the incorrect dialog. The dialog that is currently in these publications are from a previous version of NX. The dialog should look like:

The correction will be done with
future publications.
